The Capital Campaign is currently seeking \$25,000,000 to fund a variety of projects, including part of the cost of providing new library facilities on both the downtown and west-end campuses. Gifts and pledges received to date total approximately \$10,500,000.

The new facilities will also allow Concordia to consolidate the operations of the Faculty of Commerce and Administration, and of the Faculty of Engineering and Computer Science.

Details of the Capital Campaign projects are shown on the attached Table of Needs.
